The Memorandum of Understanding (MOU) is entered into on this between MIT College of Pharmacy (MITCOP) represented by Prof. (Dr.) Nalini Kanta Sahoo (Director) and Heredity Biosciences Plot NO-818, Mayfair Lagoon Road, Jayadvihar, Bhubaneswar-751013, represented by Dr. Gopal Krishna Purohit, CEO & Director

Background

The MIT College of Pharmacy (MITCOP) is established in the MIT Group of Institutions, Moradabad, MIT College of Pharmacy (MITCOP) has been approved by the Pharmacy Council of India (PCI), Affiliated to Dr. A. P. J. Abdul Kalam Technical University, Lucknow for B. Pharm and Board of Technical Education (BTE), Lucknow for Diploma in Pharmacy course.

MIT College of Pharmacy (MITCOP) is a unique blend of excellence and commitment. Wonderful ambiance to learn, excellent lab facilities with well-equipped machinery, 100% cooperation, and a friendly environment to learn and grow are the key features of our Institution. Our Institution is complex and designed specifically for health education, research, and practice. Pharmacy students have access to modern classrooms, laboratories, and more than 9000 volumes of pharmacy resource materials. Our best-in-class facility with several thousands of textbooks, reference books, and e-Subscriptions to journals, databases, and well-equipped laboratories are center of attraction in harnessing research passion for all our students.

MITCOP, the only recognized pharmaceutical research center under AKTU and BTE steadily established itself as the most preferred college to carry out research. The highly dedicated and core research faculty have consistent publication records of peer-reviewed research and review articles, chapters in textbooks, and patents.
